

Massage Cancellation Policy

Enforced: 06-13-2012

Due to the increase in the number of massage patients we have been scheduling and our busy schedule, this is an agreement if you are scheduled for a massage appointment, you agree to give AT LEAST a 24 Hour Cancellation notice or you will be charged a \$35.00 Non-Cancellation fee.

These appointments are very valuable and we have other patients that need these times as well so your cooperation in this matter is greatly appreciated.

Thank-you,

Carey Chiropractic
